KINGSEAT AMENITIES SOCIAL HUB (KASH)

We are forging ahead with our plan to lease the unused bowling club and transform- it into a Social Hub for the whole village children to adults. Thank you for supporting us so generously at the Fun Day it was a major success and loads of fun and laughter for everyone who came. Now there is some hard work ahead and we would be grateful if there are any volunteers to help clear the green in front of the club one weekend before the winter sets in. It is largely a strimming job volunteers to call 07767078003. Many thanks in anticipation.

Everything will take time but we are certainly planning more fun time for the village in the meanwhile.

KINGSEAT CHURCH CLEANER

The church is looking for a cleaner. If you are interested please contact Forbes Stuart on 07799143266.

GLADMAN – MORE HOUSING IN KINGSEAT

Gladman have submitted a plan for 80 houses on the Cuddyhouse Road. Planning reference 19/02140/PPP. Do you want more houses in Kingseat? The Community Council needs to know your views so come along to the meeting on 17th September.

COMMUNITY SPEEDWATCH

This involves members of local communities with the support of the Police to monitor speeds of vehicles using special detection devices. Drivers exceeding the speed limit are referred to the Police with a view to education. Training is given. If you are interested in being involved locally come along to the Community Council meeting.

BLOOM IN KINGSEAT

You will all have noticed the beautiful flower beds, tubs and hanging baskets which have looked so fantastic throughout the summer. The 'Bloomers' have had many, many compliments whilst they have been out and about tending the flowers; from villagers, walkers and passers by visiting the area. Judging took place on 23rd July and we couldn't have asked for a more gloriously sunny day. The award ceremony took place on 4th September in Glenrothes and we are delighted to announce that Kingseat has retained its 'Gold' award status.

Sadly, as many of you are aware, those volunteers who make up the 'Bloomers' are fewer than when we first started out 13yrs ago. **We are in need of more help.** If we cannot persuade any of you to join our ranks – even for a few hours each month – then we will seriously have to consider reducing the number of floral enhancements next year. Please get in touch with Sheila Colville mob: 07900556226 for more information or have a chat with one of the 'Bloomers' at the fundraising Coffee Afternoon in the Community Centre on **Saturday 23rd November 1 – 3pm.** We will be selling tickets around the Village, prior to the event as usual.

AGENDA

The agenda does include updates about some of the issues in the village but if you have any issues about the village that concern you then come along and let us know. Remember the Community Council acts on your instructions.
