## COALFIELDS REGENERATION THEMES

Nothing we can take forward regarding the CC or Frew Place at the moment, however, Helen will take up a variety of road issues with the council. These comprise, lights at Main Street/Wallace Place which have been there for some time with no sign of ongoing work, bus shelter at bottom of village and the continuing saga of the bins on the walkway.

Helen advised Janet that the retail development has now gone through planning but she didn't know the timescale for the work.
